### SAVAII Excursion after SSS, Four Days in the Real Samoa

The Savaii Excursion is a popular choice among Swimmers. This is the backend option to the Series, for relaxation in this unspoilt part of the Pacific. There is much of that, sightseeing, relaxation, tours and easy swims plus nightly drinks at Jane's Bar on the beach in the setting sun.

Savaii is the highlight always for those that decide to stay longer. We travel together as a group for four days. Our last night is close to the airport at the luxurious Sheraton Aggie Grey's Resort.

Three swims are added to the Excursion for those who want to continue swimming.
