Final Payment

Will be due 6 weeks prior to departure. **Friday 05 August 2022.**

Cancellations:

If **Wildside Travel** cancels the trip due to advice from Race Organisers and cannot provide the tour due to sudden Boarder restrictions, and other reasons beyond our control, you are due a refund of all refundable services paid less an admin fee of \$80 per person. Or monies can be deferred for 2023. If **you** wish to cancel, your deposit remains non-refundable, if you have paid in full prior to 05 August a refund will be calculated according to Airline and Accommodation refund policies.

No refunds will be given after 05 August. We recommend you take out insurance cover early (minimum of 5 weeks prior to travel), so you are covered for money paid at any time. If you leave the trip to come home early, again there is no refund for unused portions.

COVID If you chose to travel at the present time, you do so knowing the situation regarding Covid-19 is continually changing. You acknowledge that you understand the possibility you, or your travel plans, may be negatively impacted before, during or after your travel. In this fluid environment, you make a decision knowing that those negative impacts may include, but are not limited to, attractions being closed, travel and transport services being impacted, facilities being understaffed, last-minute changes, unexpected lock downs or new self-isolation rulings and additional costs incurred as a result.

Insurance:

Travel insurance is one of those things that travellers often regret not taking when it's too late. Whilst of course an incident-free travel experience is the goal, the unexpected or unavoidable does sometimes occur. By taking out travel insurance you can arm yourself with a level of protection generally against the likes of stolen or lost luggage, delays, cancellation, medical emergencies and vehicle hire, providing peace of mind for your travel investment. I highly recommend having travel insurance for other unforeseen circumstances, and Covid-19 does have reasonable scenario cover for the Cook Islands while it remains open to us, so please discuss your policy options. Example: a 7 night/8 Day policy starts at \$84 for basic cover for a person under 50yrs.

Prices

All prices stated herein are based on a 'group rate' set at current 2022 pricing. We are holding allotments on all services. Any changes (if at all) will be notified early and well before any due dates.

Room Types

The tour cost is based on **Garden Superior Rooms** and **3 Bedroom Garden Villas** at the **Edgewater Resort**, we are holding allotments and should availability of this room type be unavailable, alternative categories will be offered, and notified early.

You may request alternate room categories at the Resort; Standard Garden, Lagoon view, Beachfront, Beachfront Deluxe Suite ...please ask for a quote.

Pricing is based on Double or Twin-share – 2 persons sharing a room.

The villas are ideal for a group of 6 friends or a family group and is priced for 6 adults sharing. Where children are involved, please advise ages and ask for a quote.

Single travellers can request a 'villa-share' option (please add this to the notes on your booking form). This allows 6 single travellers to share one villa (see villa pricing). A slightly higher price if only 4 or 5 singles. We will do our best to buddy people up if they are travelling on their own, but should this not eventuate, a single room pricing will apply in whatever category we can get.

If you would like to book a **Single room** (not villa-share) there is an additional charge of **\$935** for Garden Superior and **\$730** for Villas over 7 nights. This is paid over and above the package price. For other categories, please ask.

You may like to stay elsewhere, we have some excellent rates for Race Week at a range of (33 other) lovely properties. Please just ask, we are happy to cost them for you.
