Cancellations:

If **Wildside Travel** cancels the trip due to advice from Race Organisers and cannot provide the tour due to sudden Boarder restrictions, and other reasons beyond our control, you are due a refund of all refundable services paid less an admin fee of \$80 per person. Or monies can be deferred for 2024. If **you** wish to cancel, your deposit remains non-refundable, if you have paid in full prior to 15 February a refund will be calculated according to Airline and Accommodation refund policies. **No refunds will be given after 15 February.** We recommend you take out insurance cover early (minimum of 5 weeks prior to travel), so you are covered for money paid at any time. If you leave the trip to come home early, again there is no refund for unused portions.

COVID If you chose to travel at the present time, you do so knowing the situation regarding Covid-19 is continually changing. You acknowledge that you understand the possibility you, or your travel plans, may be negatively impacted before, during or after your travel. In this fluid environment, you make a decision knowing that those negative impacts may include, but are not limited to, attractions being closed, travel and transport services being impacted, facilities being understaffed, last-minute changes, or new self-isolation rulings and additional costs incurred as a result.

Insurance:

Travel insurance is one of those things that travellers often regret not taking when it's too late. Whilst of course an incident-free travel experience is the goal, the unexpected or unavoidable does sometimes occur. By taking out travel insurance you can arm yourself with a level of protection generally against the likes of stolen or lost luggage, delays, cancellation, medical emergencies and vehicle hire, providing peace of mind for your travel investment. I highly recommend having travel insurance for other unforeseen circumstances, and Covid-19 does have reasonable scenario cover for the Cook Islands while it remains open to us, so please discuss your policy options. Example: a 7 night/8 Day policy starts at \$84 for basic cover for a person under 50yrs.

Prices

All prices stated herein are based on a 'group rate' set at current 2023 pricing. We are holding allotments on all services except flights. Any changes (if at all) will be notified early and well before any due dates.

Room Types

Pricing is based on Double or Twin-share – 2 persons sharing a room at the **St Ives Apartments, Battery Point**. We are holding allotments and should availability of this room type be unavailable, alternative categories will be offered, and notified early. *St Ives also have 2 bedroom Apartments which would suit 2 couples / 4 friends.

You may request alternate hotels – we have special race week rates at iBis Hotel, Movenpick Hotel and Crowne Plaza in the Downtown area so please ask for a quote on these or other properties that may be of interest.

If you would like to book a **Single room** there will be an additional charge paid over and above the package price. For other categories, please ask.
