Cancellations:

If **Wildside Travel** cancels the trip due to advice from our Ground Operators and cannot provide the tour due to sudden Boarder restrictions, and other reasons beyond our control, you are due a refund of all refundable services paid less an admin fee of \$80 per person. Or monies can be deferred for 2025. If **you** wish to cancel, your deposit remains non-refundable, if you have paid in full prior to 17 February a refund will be calculated according to Airline and Accommodation refund policies. **No refunds will be given after 17 February.** We recommend you take out insurance cover early (minimum of 5 weeks prior to travel), so you are covered for money paid at any time. If you leave the trip to come home early, again there is no refund for unused portions.

COVID If you chose to travel at the present time, you do so knowing the situation post Covid is continually changing. You acknowledge that you understand the possibility you, or your travel plans, may be negatively impacted before, during or after your travel. In this fluid environment, you make a decision knowing that those negative impacts may include, but are not limited to, attractions being closed, travel and transport services being impacted, facilities being understaffed, last-minute changes, or new self-isolation rulings and additional costs incurred as a result.

Insurance:

Travel insurance is one of those things that travellers often regret not taking when it's too late. Whilst of course an incident-free travel experience is the goal, the unexpected or unavoidable will sometimes occur. By taking out travel insurance you can arm yourself with a level of protection generally against the likes of stolen or lost luggage, delays, cancellation, medical emergencies and vehicle hire, providing peace of mind for your travel investment. I highly recommend having travel insurance for other unforeseen circumstances, and Covid does have reasonable scenario cover, so please discuss your policy options. Example: an 18 day policy starts at \$128 for basic cover for a person under 50yrs.

Prices

All prices stated herein are based on a 'group rate' set at current 2024 pricing and a minimum of 10 persons travelling. We are holding allotments on all service. Any changes (if at all) will be notified early and well before any due dates. Should we not reach 10 persons, there may be a price adjustment for those booked, and it would be at your own discretion to continue at the adjusted price or not (funds refundable in this scenario).

A Tour of Two Halves

The first week of our tour is a mix of 5 days in the Huon Valley with a company called **Tours Around Tasmania** who will host and guide our visits, activity and walks in this area. We have 2 free days in Hobart to take advantage of markets, museums, waterfront and galleries with Andrea guiding. The second week we join a company called **Under Downuder** for 10 days circumnavigation of the remainder of the Island visiting the National parks, walks, waterfalls, cruises, beaches, historic sites and wildlife sanctuaries. This second part is a scheduled tour departure which we are joining so expect a larger group on this section. Maximum 20. **Refer our Itinerary on the website.

Room Types

Pricing is based on Double or Twin-share – 2 persons sharing a room.

We are holding allotments and should availability of this room type be unavailable, alternative categories will be offered, and notified early.

Room Alternatives

You may request alternate hotels – we have special race week rates at Movenpick Hotel and Crowne Plaza in the Downtown area so please ask for a quote on these or other properties that may be of interest.

If you would like to book a **Single room** there will be an additional charge of **\$1,890** paid over and above the package price. For other categories, please ask.
